  - the awarding body made a mistake in the operation of the standardisation model where the wrong data was used to calculate results

- the awarding body made an administrative error in the issuing of results
- collect consent from a candidate before any appeal is submitted to the awarding body.

## Information for Candidates

### Results, Appeals and Certificates

#### Centre assessment grades and rank orders

Ashlyns school has submitted provisional (centre assessment) grade(s) and rank order(s) to the relevant awarding body in accordance with the Ofqual guidance<sup>1</sup> on *Awarding qualifications in summer 2020* and in line with the awarding body instructions.

<sup>1</sup> <https://www.gov.uk/government/publications/awarding-qualifications-in-summer-2020>

For the reason of fairness, awarding bodies are putting these grades through a standardisation process to ensure grading standards are consistent across all centres. The rank order of candidates will not be changed but the final grades candidates receive may be different to the centre assessment grade.

#### Final grades

On candidate statements of results (results slips) and certificates, final grades will be reported in the same way as in previous years.

Final grades will be issued on results day(s) in August as follows:

Date	Qualification type
13/08/2020	GCE (AS, A Levels) and other Level 3 qualifications
20/08/2020	GCS

Delete this text box when the information contained below is understood  
Amend this table to reflect the qualification types for which results are expected in your centre.

## Concerns about your results

Ofqual has provided information<sup>2</sup> for students that sets out how their grades were calculated this year and the options available if they believe their result was not properly produced, including access to appeal. The *National Careers Service Exam Results Helpline*<sup>3</sup> offers advice each year for students who have not received the results they had hoped for. Ofqual will also make a helpline available to students and their parents or carers to talk about the appeals process and any other questions they may have about their results this summer.

Awarding bodies will also provide information for students about results which can be accessed via their websites.

If you have a concern about a grade you have been awarded, you can ask The Exams Office to:

- check whether an error was made when submitting your centre assessment grade and rank order to the awarding body
- raise a complaint with Mr Peters if you feel you have evidence of bias or that you were discriminated against; you could also pass such evidence on to the awarding body who could investigate for potential malpractice
- seek any information the awarding body holds in relation to how your final grade was calculated
- provide information about the opportunity to take an exam in the autumn series or in summer 2021

## Arrangements for appeals

The arrangements for awarding qualifications in summer 2020 state:

Candidates can appeal their grades through their centre if they feel the process this summer was not followed correctly in their case.

A candidate can:

- ask their centre to appeal on their behalf to an awarding body if there is evidence that leads a candidate to believe:
  - the centre made an error when submitting a centre assessment grade or rank order information
  - an awarding body made a mistake when calculating, assigning or communicating a grade
- appeal against the centre's decision
  - not to seek any information the awarding body holds that would be needed for an appeal; and/or
  - not to appeal to the awarding body

A candidate cannot:

- appeal against their centre assessment grades and position in the rank order
- appeal in respect of the process or procedure used by [insert centre name] in calculating your centre assessment grades and position in the rank order
- appeal directly in any respect to the awarding body (unless a private candidate)

## Certificates

Certificates, when received from the awarding body, will be issued to candidates [insert your centre arrangements here on when and how].

## Internal appeals procedure

Ashlyns school will:

- inform candidates of the arrangements for appeals prior to the issue of results and the accessibility of senior members of centre staff immediately after the publication of results via the 'Information for Candidates - Results, Appeals and Certificates'
- appeal to an awarding body on a candidate's behalf if it believes the centre itself made an error when submitting a centre assessment grade or rank order information or if it believes an awarding body made a mistake when calculating, assigning or communicating a grade
- ask the candidate to provide written informed consent (informed consent via candidate email is acceptable) before an appeal is submitted to the awarding body as the appeal could result in the final grade being lower than, higher than, or the same as the grade which was originally awarded
- only collect consent after the publication of results.
- where relevant, advise an affected candidate to inform any third party (such as a university or college) that an appeal has been submitted to an awarding body

Ashlyns School will not:

- seek any information the awarding body holds that would be needed for an appeal if it does not believe an awarding body made a mistake when calculating, assigning or communicating a grade
- appeal to an awarding body on a candidate's behalf if it does not believe the centre itself made an error when submitting a centre assessment grade or rank order information or if it does not believe an awarding body made a mistake when calculating, assigning or communicating a grade

An internal appeal can be submitted to the centre where a candidate (or his/her parent/carer) believes there are grounds to appeal against the centre's decision:

- not to seek any information the awarding body holds that would be needed for an appeal and/or
- not to appeal to the awarding body

An appeal should be submitted by completing and submitting an **internal appeals form** by 7th September 2020

- The appellant will be informed if the appeal will be proceeded on their behalf .
- Awarding body fees which may be charged for an appeal are available from the exams officer
