

January 2020

Dear Parent/Carer

## **Swimming - GCSE PE Assessment**

We are pleased to inform you that we have arranged for GCSE PE students to film their swimming final assessment in the Knox Johnson Swimming pool. This will incur no cost to parents and will be led by school staff with appropriate qualifications.

Due to timetable constraints, the session will take place outside of school hours, on **Tuesday 11 February from 3.20pm to 5.15pm.**

The session is not compulsory and is only for those students who wish to be assessed in competitive swimming as one of their three practical sports.

The students should make their own way to the centre for the session, leaving school at 3.00pm and signing out of reception. Access to the changing rooms will be granted by either Sports Centre staff or me. Students should bring appropriate swimwear, goggles, swimming hat (compulsory) and towel; I also recommend bringing a waterproof bag to store the wet clothes after the session.

Please be advised that as part of the moderation process the performances will be recorded.

If your son/daughter wishes to take part, please complete the online permission form, via the link below, by Friday 24 January 2020.
