Dear Parent/Carer

Netball Dresses

We have been fortunate to secure an exciting and exclusive opportunity, only available to those students who are representing the school with extra-curricular netball activities.

In collaboration with Olorun Sports Teamwear sales, we have great pleasure in announcing the option to purchase a fully technical and bespoke Ashlyns Netball dress. A copy of the design is on the reverse of this letter.

The performance dress is an optional extra and not compulsory. To ensure that you order the correct size, please ask your daughter to come to the PE office at breaktime or lunchtime to look at the sample sizes.

The cost is £26 and orders can be placed via the uniform area of Wisepay. There is a four to six week lead time and the deadline for orders is Friday 11 October. Please note that all orders are non-refundable.

If you have any further questions, please do not hesitate to contact me.

Yours sincerely

Mr J Preston
Head of PE
