

February 2021

Dear Parent/Carer

Year 11 Bronze DofE Programme

Due to lockdown restrictions, we will be postponing the Bronze DofE expeditions until the summer term. We had originally planned for the expeditions to take place early in the year, to allow plenty of time before the GCSE exams. Once we receive clarification from the Department for Education and exam boards regarding how Year 11 will be assessed, and the timeframe for this, we will rearrange the expedition dates.

In the meantime, please can you check on the progress your son/daughter has made with their other sections (volunteering, physical and skill). If they have finished their section, please ensure they have asked their assessor to complete their report online on the DofE website.

Yours sincerely

Miss C Tubbritt
DofE Coordinator
